

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

ENGLISH CATHEDRALS

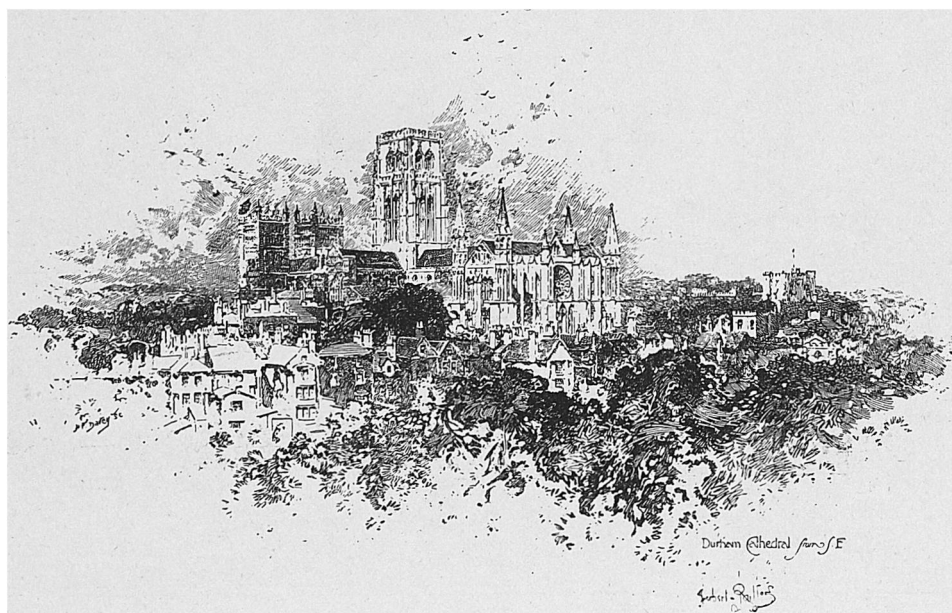

It is doubtful if anything so simply beautiful has ever been done at the price of one shilling as these little books which Messrs. Isbister are bringing out upon our English Cathedrals.* We have received four of them, dealing respectively with Durham, Lichfield, Ripon and Chester. Each has been written by a member of its Chapter; Lichfield by Canon Bodington, Ripon by Archdeacon Danks, Chester by Dean Darby, and Durham by Canon Fowler. All are written well and with just so much history as shall serve to satisfy any reasonable desire for a good general acquaintance with the growth of the building, without wearisome insistence upon detail.

The little cuts which illustrate the series are delightful. Mr. Herbert Railton and Mr. Holland Tringham are responsible for these. Our readers may estimate for themselves the value of our verdict, for Messrs. Isbister have kindly lent us several of the illustrations to show.

* *Ripon Cathedral*, by the Ven. Wm. Danks, M.A. *Durham Cathedral*, by the Rev. J. T. Fowler, D.C.L. *Chester Cathedral*, by the Very Rev. John L. Darby, D.D. These are illustrated by Herbert Railton. *Lichfield Cathedral*, by the Rev. Charles Bodington, illustrated by Holland Tringham. London: Isbister & Co., Ltd., 1898-9. 1s. net.
